### Artist Bio:

Terry Oldfield is a world-renowned artist whose profoundly inspiring music has touched the hearts of many. Terry's unique ability to bring the spirit of nature into his compositions enhances the soulful and meditative journeys his music explores.

A two-time Emmy nominee, he has composed music for film and television, as well as multi-cultural music to accompany yoga, meditation and the healing arts. He currently lives in Australia with his wife and partner in music, Soraya Saraswati. Together they travel, perform concerts and facilitate workshops for inner transformation.

### Album Description:

From the whales of the ocean to the birds of the rainforest, Terry Oldfield takes us on a healing journey through nature. This album was especially recorded to create a supportive musical background for the Healing Arts. *Sacred Touch: Music for Massage* will uplift and enhance any atmosphere for healing and relaxation!

*Alto & soprano flutes, nature sounds, keyboards, pan pipes*

### Album Review:

*"I have found this album to be an incredibly soothing companion to my massage work. The gentle flute, in harmony with sounds from nature, creates a beautiful sonic journey that complements deep relaxation and massage."*
