"The Sitar gives birth to this eastern/western mix of melodic and mystical sounds on Yoga Lounge. This song collection will warm your heart with a mix of slow and medium rhythms, cradled by strings, flutes, and drums. Let these luscious melodies quiet your energies, while creating a musical mystical. A sitar lovers gem!"

Sylvia P. Barnes
Songwriter/Composer

"Live and Passionate! Expresses the truths of your heart. The smooth and active beat sings the songs of anyone's soul. An instant trans-meditative state, this wave of tranquility is a rhythm for all moods. Deepen in your yoga, meditation, or pranayama: unite in every practice. Live the Yoga Lounge!"

Bio/Artist:

Chinmaya Dunster was born in Britain and has spent most of his adult life in India. Chinmaya's meditative acoustic compositions have won him acclaim. A devoted student of Feng Shui,

Chinmaya has released several albums of music themed to enhance ancient Eastern arts.

Niladri Kumar is undoubtedly among the finest young sitar virtuosos today.

Under the guidance of his renowned father Pandit Kartik Kumar of Senia Gharana, he started learning the sitar at the tender age of five.

Album description:

East Indian music at its expressive best, coaxing sultry, seductive moods from an array of memorable tunes. Chill out music perfect for yoga movement and enjoying warm nights where there is something exotic in the air.
